

## Wedding Reception & Parties DERBY

Thank you for contacting us with regards your Wedding, congratulations to you both! You can have a fantastic day in our city centre venue which is a brief stroll from the Registry office and close by to an array of hotels. If you're looking for a classy & informal venue that won't break the bank, we might be your perfect venue.

### Hire Charges

The private hire charge is for our upstairs Clubrooms which has it's own private restrooms on the floor above. Minimum numbers are 20 daytime & 40 in the evening up to a maximum of 80, our seating is a mixture of tables & chairs with soft seating. Wherever possible we allow you access to the first floor rooms the day before or earlier that day to bring in your props & decorate your tables.

As an alternative, for the same hire charge & times, our ground floor is available to hire from 7pm for up to 120 guests on selected evenings throughout the year including most Fridays & Saturdays. Quite often couples will have their daytime celebration upstairs & move downstairs for the evening. Under 18's are allowed all evening. We require the venue hire as deposit, any other payment for reception drinks/pre ordered drinks or catering is due a week before your big day. Contact us with the date & times you require & we'll check availability & get a hire quote for you

### Drinks & Catering

We can provide a drinks reception (Prosecco/wine/gin & tonic/Pimms etc) for your guests or they can simply order & pay at the bar. Alternatively you can put a set sum behind the bar or we can give out a ticket per guest for a bar tab if you wish. There is a link to our website at the bottom of this page where you can find our current drinks menu.

We have had quite a few Weddings @ Bookcafe & each is different, from fizz & canapés afternoon/early evening to afternoon tea served to your tables as a Wedding breakfast, a really decent homemade 'posh pub' or hot fork buffet. We don't charge any more than we do for any other party or celebration just because we hear the word 'Wedding'. We don't allow outside catering with the exception of your Wedding cake, see our current catering options for further information.

### Music & Entertainment

Music wise we can recommend a DJ (£220) depending on availability, or you can hire your own. We can put forward some suggestions for live musicians (approx £175 upwards) or we can play your own Spotify playlist through our system free of charge.

We'd recommend coming to see our lovely first floor rooms & checking that they're suitable for your guests as they are accessed by a beautiful but long Grade 2 listed staircase with no lift. Our ground floor is accessed by 6 steps with a handrail and we have a ground floor disabled loo. There is a link on our website that takes you to a 3D virtual tour of our building. The Gin Palace bar and function rooms are on the first floor.
